Granbury's 1st

Area-Wide Marriage Event

Valentine's Weekend, February 10-11, 2012
Lake Granbury Resort & Conference Center

Ecclesiastes 4:12, "A cord of 3 strands is not easily broken", yet sixty percent of marriages today in America **will** end in divorce. That is a shocking fact describing our "Christian" nation, where the biblical family model has been the foundation of everything we are...our government, our churches and our homes!

Aten Ministries, founders of **Three2One Marriage Conferences**, along with Paluxy Association & local churches would like to announce Granbury's first area-wide marriage event to be held Valentine's weekend, February 10-11 at the new Convention Center on Lake Granbury. Speakers & session leaders will include Jon & Kelly Randles, Sherman & Tammy Aten, Scott & Lori Dix, plus choice pastors & marriage teams from across Texas & Missouri. Topics range from communication, finances, spiritual & physical intimacy, parenting, the blended Christian family as well as addressing engaged couples - no married age restrictions.

We are now beginning to pray for each couple God will bring to this celebration of marriage, which is designed to enrich husband & wife through ministry & renewal. There are less & less venues today which build up this sacred relationship that makes up our homes & churches. Our culture has turned against what God first ordained & we see families in our churches that are in the desperate/danger zone. Pastors join us in the building up of our congregations by praying first, then leading couples, **married and engaged**, to plan to attend this special retreat. Will you lead the way with your spouse as we plan to celebrate marriage and tighten this *cord of 3 strands* in 2012? You, as leaders, are especially invited to come & be blessed in your own marriages. Not only will you be recognized & prayed over at the closing ceremony, but if 5 couples come with you, your conference fee will be discounted 50% - a gift to you! *Make this your church Valentine event.*

This couple's retreat includes a romantic Valentine's Banquet Dinner, Saturday Brunch, all conference sessions, fees & materials for \$125 per couple. (*Enhance your retreat with an optional Friday night Hilton Hotel stay for special rate of \$75 only good 'til Jan. 10-after \$99.*) Registration is now open with \$50 deposit due at sign up; full payment due **January 25**. Please contact Janie at office@paluxybaptist.org or call 817.579.5111. Space is limited **so get your Valentine's Gift early....a weekend to celebrate your marriage!**

For Hotel stay option, book by January 10 to receive \$75 rate + free Lake view room upgrade!
